HOPE FOR TOMORROW

COME AND JOIN US TO BRING NEW LIVES TO THE CHILDREN OF CAMBODIA

The first part of the Trip

Changing the life of the children through your ministry!

We will be working with the children and youth, and their families, conducting VBS sessions, village visitations, providing food to the poor, and exploring the cultures through the life of the villagers.

The second part of the Trip

Changing your life through the children's ministry!

We will be touring through the royal palace, genocide museums, Angkor Wat, church ministries, floating villages, and exploring the life in the city of Phnom Penh.

The third part of the trip is optional.

We will be extending the tour beyond Cambodia to train our leaders either in Thailand or Vietnam. This tour is an optional and it requires more time, so please check the box below*.
